CommonWealth Saddles is proud to offer an array of options for every rider. Great saddles do great things, and we're excited to offer programs that are tailored to each individual's needs, just as our saddles are.

CommonWealth Saddles **Young Rider Program** allows parents to keep their children in the highest quality saddles on the market, in a stress-free environment. This program can be accessed for as little as \$88.54 CAD/month. We don't currently offer financing on this program, and the program must be pre-paid (ie. you must purchase your saddle, and then we purchase it back), but we do think it's important to know that there are solutions that allow for proper saddles that are affordable and offer a solution for when it comes to moving on from the saddle.

Fine Print:

Buy Back cannot exceed \$2125 CAD plus taxes.

Program Adherence:

The purchase of larger/new saddle must be made within 24 months for the discount and guaranteed buy back to occur. Rider must send photos of banner displayed at 3 shows over 24 months (proof of shows) and/or saddle and rider in ring.
